

The Vantaca portal provides an online calendar to make keeping up with community events even easier!

Your community may also choose to offer online amenity reservation through the Vantaca portal. These reservations can be reviewed on the Calendar & Events page under a separate tab, “Amenity Calendar.”

Click on the Calendar & Events tab in the lefthand menu to jump directly to the Calendar page.

The default view of the calendar page displays the Agenda for a particular date. To change the display, choose one of the options on the righthand side of the calendar. We'll select “Month.”

With “Month” selected, we can now see any events for the entire month occurring within the community. Items marked with a circular arrow are reoccurring items or events.

Only the Board of the community can set events on the main calendar. We will explore the Amenity Reservation calendar in a separate guide!

Stay up to date with events going on in your community.
